COLLABORATIVE INK DRAWING

with **Andy Harper**

Join Andy Harper for a workshop at Torre Abbey, where we will explore the growth patterns of plants through mark-making in brush and ink. We will visit the glasshouse in the gardens before returning to the Learning Lab to make a large collaborative ink drawing inspired by the organic forms and structures of exotic plants.

Andy Harper is an artist and lecturer based in St Just, Cornwall. He makes complex paintings derived from an elaborate language of marks.

No experience needed! For more information and to book your place, please visit [t https://devonrlc.co.uk/courses/collaborative-ink-drawing/](https://devonrlc.co.uk/courses/collaborative-ink-drawing/).

A bus service will be available for anyone who requires transport.
