Distorting Perspectives PHOTO COLLAGE

with *Cass Agazzi Brooks*

Join us at St Mags, Torquay for a workshop inspired by David Hockney's 'Joiners' – photo collages that combine multiple perspectives to form one image. We will photograph views in the local area, print them out and bring them together to form a collective perspective of Torquay.

Cass Agazzi Brooks is an artist born and based in the South West. Her vibrant paintings combine real and imagined imagery to reflect upon our strange and beautiful world.

No experience needed! For more information and to book your place, please visit <https://devonrlc.co.uk/courses/distorting-perspectives-photographs-moving-through-space/>.

A bus service will be available for anyone who requires transport.
